

**SUPERIOR COURT OF CALIFORNIA, COUNTY OF SONOMA  
MILITARY DIVERSION PC 1001.80 - DUI**

People of the State of California,     Plaintiff,     Case No.: SCR

vs.

ORDER GRANTING PRETRIAL  
, Defendant.     DIVERSION PURSUANT TO PC 1001.80

The defendant represents that he or she has been fully advised of and understands all his or her constitutional and statutory rights, including the right to speedy trial. The defendant consents to and requests consideration for Military Pretrial Diversion, and waives all constitutional and statutory speedy trial rights.

THE COURT FINDS that the defendant has been advised of, fully understands and voluntarily waives all of his or her constitutional and statutory rights including the right to a speedy trial. The Court finds that defendant may be suffering from sexual trauma, traumatic brain injury, post-traumatic stress disorder, substance abuse, or mental health problems as a result of his or her military service. The Court further finds that the defendant is a person who consents to and would benefit from a grant of Military Pretrial Diversion.

THE COURT FINDS that as the defendant is charged with the offense(s) of driving under the influence of alcohol or drugs, or both, the defendant has been additionally advised pursuant to People v. Watson, as indicated by the defendant's initials below:

**You are hereby advised that being under the influence of alcohol or drugs, or both, impairs your ability to safely operate a motor vehicle. Therefore, it is extremely dangerous to human life to drive while under the influence of alcohol or drugs, or both. If you continue to drive while under the influence of alcohol or drugs, or both, and as a result of that driving, someone is killed, you can be charged with murder.**

I have read the above advisement, or had it read to me, and I understand it. I have personally and voluntarily placed my initials in the following box to acknowledge this fact.
